Dear Shareholder,

ABERDEEN STANDARD SICAV I

We are writing to inform you of the changes that the Board of Directors of Aberdeen Standard SICAV I (the “**Company**”) proposes to make to the Company and its sub-funds (the “**Funds**”). The principal proposed changes are detailed in this letter.

Capitalised terms used in this letter shall have the same meaning ascribed to them in the latest version of the prospectus of the Company unless the context otherwise requires.

1. Reduction in the Minimum Gross Investment Amounts in respect of certain Classes of Shares

In respect of Class A, Class BA, Class BB, Class C, Class F, Class S, Class W and Class X Shares, the minimum Gross Investment Amount for any initial or subsequent investment in a Fund has been reduced from US\$1,500 to US\$1,000 or currency equivalent.

The minimum holding amount applicable to Class G, Class I, Class N and Class Z Shares has been reduced from US\$1,000,000 to US\$500,000 or currency equivalent.

2. Clarification of the provisions concerning switching of Shares

The section “Exchange (or Switching) of Shares” has been wholly redrafted with a view to summarising and clarifying the general principles as well as the various restrictions that apply in case of exchange (or switching) requests applicable to certain Classes of Shares and Funds.

In particular, the following flexibilities have been incorporated:

- a. Investors may exchange between accumulation and income Shares within the same **or another** Class;
- b. Shareholders of Class C and Class W may only exchange into Class C and Class W Shares, respectively, in another Fund or into Class W or Class A Shares in the same **or another** Fund; and
- c. Holders of Class BA and Class BB Shares may only exchange their Shares for Class BA and Class BB Shares, respectively, in another Fund or into Class A and Class X Shares in the same **or another** Fund.

In the same vein, the following restriction has been removed:

- d. Holders of Hedged BRL Classes of Shares may exchange their Shares for another Class of Shares in the same or another Fund with the prior consent of the Management Company.
