1. THE TYPE OF MERGER AND THE FUNDS INVOLVED

1.1. Type of merger

The type of merger proposed is that set out in sub-section (c) of the definition of "merger" in Part 1, section 3(1) of the Regulations (corresponding to article 2(1)(p)(iii) of the UCITS Directive), being a merger whereby one or more UCITS or sub-funds thereof, which continue to exist until their liabilities have been discharged, transfer their net assets to another sub-fund of the same UCITS, to a UCITS which they form or to another existing UCITS or sub-fund thereof.

1.2. Funds involved

The Merging Fund is a sub-fund of AGIF VI which is established as an open-ended umbrella investment company with segregated liability between sub-funds and is authorised in Ireland by the Central Bank as a UCITS pursuant to the Regulations.

The Receiving Fund is a sub-fund of AGIF which is established in the form of a société anonyme qualifying as a *société d'investissement á capital variable* (SICAV) and is authorised in Luxembourg by the CSSF as a UCITS pursuant to the Luxembourg Law.

1.3. Verification

In accordance with regulation 59 of the Regulations (corresponding to article 41 of the UCITS Directive), the AGIF VI Depositary and AGIF Depositary will each, in respect of the Merging Fund and the Receiving Fund respectively, provide written verification of the type of merger referred to at 1.1 above, to the Central Bank.

2. BACKGROUND TO AND RATIONALE FOR THE MERGER

The Board of Directors of both AGIF VI and the AGIF have approved the proposal of Allianz Global Investors GmbH, the Investment Manager of the Merging and Receiving Fund, to merge the Merging Fund and the Receiving Fund. This will streamline the product offering in the equity space and offer investors the opportunity to keep invested in an attractive strategy within the product category.

The Scheme will also result in better economies of scale in the long term and greater levels of operational efficiency, both of which should lead to longer term cost savings for Shareholders. Moreover, higher levels of operational efficiency will likely be realised as a consequence of reduced operational and administrative burden. It is also expected that the Scheme will result in a greater number of distribution opportunities for the Receiving Fund, which would increase subscriptions and ensure economies of scale and greater shareholder diversification.

3. EXPECTED IMPACT OF THE MERGER ON AGIF VI SHAREHOLDERS AND AGIF SHAREHOLDERS

3.1. In the event that the Merger is approved by the AGIF VI Shareholders, the AGIF VI Shareholders will receive New Shares in accordance with the terms set out herein.

3.2. AGIF is domiciled in Luxembourg and is regulated by the CSSF pursuant to Part I of the Luxembourg Law. AGIF VI is domiciled in Ireland and is regulated by the Central Bank pursuant to the Regulations. AGIF VI is established as an investment company with variable capital. AGIF is established in the form of a société anonyme qualifying as a société d'investissement á capital variable (SICAV). AGIF has appointed the AGIF Depositary and (through its management company, Allianz Global Investors GmbH.) the AGIF Registrar and Transfer Agent as its depositary and administrator respectively and AGIF VI has appointed the AGIF VI Depositary and (through its management company, Carne Global Fund Managers (Ireland) Limited) the AGIF VI Administrator as its depositary and administrator respectively. AGIF has an accounting year end of 30 September and AGIF VI has an accounting year end of 31 December. Each of the

Merging Fund and the Receiving Fund has the same investment manager. AGIF and AGIF VI each has a different board of directors and have appointed auditors in Luxembourg and Ireland, respectively. The synthetic risk and reward indicator ("**SRRI**"), which is set out in the key investor information document for a UCITS, is a measure of a fund's volatility. The SRRI for the Merging Fund and the Receiving Fund is 6. Both the Merging Fund and the Receiving Fund are suitable for investors seeking capital growth.

3.3. Merging Fund

3.3.1. Impact on assets of the Merging Fund

The Merger will involve the delivery and/or transfer of the net assets of the Merging Fund to the AGIF Depositary to be held on behalf of the Receiving Fund in exchange for the issue of New Shares in the Receiving Fund to AGIF VI Shareholders on the Effective Date.

3.3.2. Impact on holding

Under the terms of the Merger, AGIF VI Shareholders will receive New Shares having an equivalent value to their holding of Existing Shares on the Effective Date. AGIF VI Shareholders holding fractions of Existing Shares will receive fractions of New Shares in the Receiving Fund. Appendix I contains a table setting out the proposed New Share classes to be issued in respect of each Existing Share class.

The net asset value of the Merging Fund on the Effective Date will be calculated in accordance with the valuation methodology of AGIF VI as set out in its Prospectus and Constitutional Document. The net asset value of the Receiving Fund on the Effective Date and following the delivery and/or transfer of the net assets of the Merging Fund to the Receiving Fund will be calculated in accordance with the valuation methodology of AGIF as set out in its Prospectus and Constitutional Document. The net asset value of the Merging Fund and the Receiving Fund will not be known until after the Effective Date.

3.3.3. Impact on performance of Merging Fund

On the basis that the investment objective and policies of the Merging Fund and the Receiving Fund are similar, the Merger should not alter the performance experienced by AGIF VI Shareholders. The Merging Fund will not bear the legal, advisory or administrative costs of the Merger. The investment objective and policies of the Merging Fund and the Receiving Fund are similar, a portion of the assets held by the Merging Fund comprises eligible assets for the purposes of the investment policy and the portfolio of assets which can be held by the Receiving Fund. However, the Merging Fund will need to sell down some of its existing portfolio and purchase new Chinese securities in order to align its portfolio with that of the Receiving Fund prior to the Effective Date. This will not lead to a change in investment objectives or policies of either the Merging Fund or the Receiving Fund, however it may result in a reduction in the net asset value of the Merging Fund in the period prior to the Effective Date.

3.3.4. Impact on rights of AGIF VI Shareholders

The Merging Fund is an existing sub-fund in an Irish UCITS authorised by the Central Bank and the Receiving Fund is an existing sub-fund in a Luxembourg UCITS authorised by the CSSF. A table setting out the shares to be received by holders of Existing Shares is contained in Appendix I. The New Shares will operate in a similar way as the Existing Shares as regards subscriptions, redemptions, conversions and payment of distributions, however the Merging Fund has a shorter settlement cycle for subscriptions and redemptions, which is the second Business Day following the relevant Dealing Day. The AGIF VI Circular seeking AGIF VI Shareholders' approval of the Merger, will include details of the principal differences and principal similarities between the Merging Fund and the Receiving Fund. AGIF VI Shareholders will be advised to consult their own professional

advisers as to the tax implications of the Merger.

It is not expected that there will be any material difference in the rights of AGIF VI Shareholders before and after the Merger takes effect.

3.3.5. Impact on tax status of Merging Fund and tax treatment for AGIF VI Shareholders

If the Merger is approved by the AGIF VI Shareholders, the exchange and cancellation of the Existing Shares in return for the issue of New Shares shall not give rise to an Irish tax liability for the AGIF VI Shareholders. In the event that New Shares are subsequently disposed of by the AGIF VI Shareholders, Irish tax legislation would deem such New Shares to have been acquired at the date and at the price that the Existing Shares were originally acquired. If the AGIF VI Shareholders request the repurchase of their Existing Shares, this would constitute a taxable event for Irish tax purposes and would be subject to the same tax consequences as any disposal of shares in AGIF VI.

Following the Merger, no Irish tax should arise for the AGIF VI Shareholders which are non-Irish tax resident in respect of their New Shares and Irish tax declarations will no longer be required.

The substantive Irish tax treatment for AGIF VI Shareholders who are Irish tax resident or ordinarily resident will remain the same, following the Merger. AGIF VI Shareholders who are Irish tax resident or ordinarily resident (and not exempt investors) will continue to be subject to Irish tax at the rate of 41% where the AGIF VI Shareholder is not a company or 25% where the AGIF VI Shareholder is a company (and the income is not taken into account as a receipt of a trade carried on by that AGIF VI Shareholder). However, there are some key differences:

- The AGIF VI Shareholders will be required to self-account for the Irish tax on distributions and redemptions in their own Irish tax returns each year. Historically, the Merging Fund would have deducted the Irish tax as exit tax and paid it to the Irish Revenue Commissioners on the AGIF VI Shareholders' behalf. This will no longer be the case.

- The 8 year deemed disposal rule will continue to apply and the AGIF VI Shareholders will be required to self-account for Irish tax every eight years. The 8 year period is calculated by reference to the original date of acquisition of the Existing Shares by the AGIF VI Shareholders.

- The AGIF VI Shareholders will be obliged to deliver a tax return to the Irish Revenue Commissioners in the year in which they acquire the New Shares. The return will need to include the name and address of the Receiving Fund and a description of the New Shares acquired (including the cost to the AGIF VI Shareholder).

AGIF VI Shareholders who are Irish tax resident or ordinarily resident should obtain tax advice in relation to holding the New Shares to ensure that they submit their tax returns correctly each year.

No stamp duty, documentary, transfer or registration tax would be payable in Ireland by the AGIF VI Shareholders on the disposal of their Existing Shares or on the issuance of New Shares.

3.3.6. General

Neither the Existing Shares nor the New Shares are or will be listed on a stock exchange.

The Receiving Fund is registered for sale in in each EU member state in which the Merging Fund is registered for sale.

In addition to this document containing details of the common terms of merger, the AGIF VI Shareholders will receive the AGIF VI Circular containing details of the Merger and details of the extraordinary general meeting to be held to allow AGIF VI Shareholders to vote on the Merger. The AGIF VI Circular will also contain details of the rights of AGIF VI Shareholders to request a repurchase of their shares in the Merging Fund, as the case may be, at no cost (other than those retained by the Merging Fund to cover disinvestment costs), such right to be exercisable from the date of issue of the AGIF VI Circular up to 11:00am (Irish time) on 29 October 2019.

AGIF VI Shareholders must satisfy all anti-money laundering requirements pursuant to relevant anti-money laundering legislation in order to participate in the Merger.

3.3.7. After the Effective Date

If the Resolution to approve the Merger is passed, the Merger will be binding on all AGIF VI Shareholders on the register of members of the Merging Fund on the Effective Date. Consequently AGIF VI Shareholders will be issued New Shares without any further action on their part, whether or not they voted in favour of the Merger or voted at all.

AGIF VI Shareholders who do not wish to take part in the Merger must submit a redemption request by the final redemption date prior to the Effective Date in order to have their shares in the Merging Fund redeemed.

On implementation of the Merger, the Merging Fund shall cease operations on the first business day following the Effective Date. Following this date, AGIF VI will fully wind-up all the affairs of the Merging Fund in accordance with the terms of its Constitutional Document and the requirements of the Central Bank.

3.4. Receiving Fund

3.4.1. Impact on assets of Receiving Fund

The Merger will involve the delivery and/or transfer of the net assets of the Merging Fund to the AGIF Depositary to be held on behalf of the Receiving Fund. The Receiving Fund will not bear the legal, advisory or administrative costs of the Merger.

3.4.2. Impact on shareholding of AGIF Shareholders

The merger does not cause any significant economic changes for investors in the Receiving Fund. Shareholders in the Receiving Fund have received a circular detailing the Merger.

3.4.3. After the Effective Date

See details set out at 3.3.7 above.

4. THE CRITERIA TO BE ADOPTED FOR THE VALUATION OF THE ASSETS ON THE DATE FOR CALCULATING THE EXCHANGE RATIO

As provided above, the net asset value of the Merging Fund on the Effective Date will be calculated on the Valuation Point in accordance with the valuation methodology of AGIF VI as set out in its Prospectus and Constitutional Document. The net asset value of the Receiving Fund following the delivery and/or transfer of the net assets of the Merging Fund to the Receiving Fund will be calculated in accordance with the valuation methodology of AGIF as set out in its Prospectus and Constitutional Document. The valuation methodology for the assets of the Merging Fund is substantially similar to that of the Receiving Fund. The net asset value of the Merging Fund will not be known until after the Effective Date.

For the avoidance of doubt, the New Shares to be issued to Shareholders will be calculated in accordance with the exchange ratio outlined below.

5. THE CALCULATION METHOD FOR THE EXCHANGE RATIO

The number of New Shares to be issued to each Shareholder will be calculated using the exchange ratio below. Once the New Shares have been issued, the relevant Shares in the Merging Fund will then be cancelled.

$$S = \frac{R \times NAV}{SP}$$

where:-

S = the number of New Shares in the Receiving Fund that will be issued;

R = the number of Shares held by the Shareholder in the Merging Fund on the Effective Date;

NAV= the last net asset value per Share of the relevant Share Class in the Merging Fund calculated as at the Valuation Point on the Effective Date, calculated in accordance with the Constitutional Document of AGIF VI;

SP= the initial issue price per New Share of the relevant New Share Class in the Receiving Fund. In accordance with the above provisions, Shareholders in the Receiving Fund will receive such number of New Shares as calculated in accordance with the exchange ratio above.

In accordance with Regulation 60 of the Regulations (corresponding to article 42 of the UCITS Directive), the Independent Auditor of the Receiving Fund, PricewaterhouseCoopers Société coopérative, will validate the following: (a) the criteria adopted for the valuation on the assets and where applicable, the liabilities of the Merging Fund on the date for calculating the exchange ratio and; (b) the calculation method of the exchange ratio as well as the actual exchange ratio determined at that date for calculating that ratio. Following the Effective Date, the Independent Auditor of the Receiving Fund, PricewaterhouseCoopers Société coopérative, will prepare a report with details of its findings in relation to the above which will be available on request and free of charge to both AGIF VI Shareholders and AGIF Shareholders. A copy of this report will also be available to the Central Bank.

No cash payment shall be made to the AGIF VI Shareholders in exchange for the assets.

6. THE EFFECTIVE DATE OF THE MERGER

Subject to the approval of the Central Bank, the Effective Date of the Merger is to be 11:59 pm (Irish time) on 06 November 2019 or such later date as may be determined by the Directors and notified to the AGIF VI Shareholders in advance. AGIF VI Shareholders shall receive advance notification of any proposed change in the Effective Date. Such notification will be made in any manner which is described in the AGIF VI Circular or by any established communication method which AGIF VI Shareholders usually receive information in relation to AGIF VI, as appropriate, including via regulatory announcements or electronic communication.

In accordance with Regulation 59 of the Regulations (corresponding to article 41 of the UCITS Directive), the AGIF VI Depositary and AGIF Depositary will each, in respect of AGIF VI and AGIF respectively, provide written verification of the Effective Date to the Central Bank.

7. THE RULES APPLICABLE, RESPECTIVELY, TO THE TRANSFER OF ASSETS AND THE EXCHANGE OF EXISTING SHARES FOR NEW SHARES

All the net assets of the Merging Fund will be transferred to the Receiving Fund on the Effective Date in exchange for the issue of New Shares. AGIF VI Shareholders participating in the Merger will receive New Shares directly in exchange for their Existing Shares in accordance with the exchange ratio as set out above.

AGIF VI Shareholders participating in the Merger will receive written notification from the AGIF Registrar and Transfer Agent confirming their holding of New Shares within five (5) days of the Effective Date.

On the Effective Date, the AGIF VI Depositary will arrange to record the delivery and/or transfer of the net assets of the Merging Fund to the Receiving Fund by noting that, as and from the Effective Date, it holds all of such net assets (to include any cash or securities accounts) on behalf of the Receiving Fund.

Any taxes and duties, including transfer taxes and stamp duty, payable upon the acquisition by AGIF of the property of the Merging Fund, as a result of the implementation of the Merger, will be paid by the Receiving Fund. However, the transfer of the property of the Merging Fund pursuant to the Merger should not give rise to any charge to Irish stamp duty.

8. CONSTITUTIONAL DOCUMENT

In accordance with article 39 of the UCITS Directive, each of the AGIF VI Depositary and AGIF Depositary will provide written verification to the Central Bank that the provisions outlined above are in accordance with the provisions of the Constitutional Document of AGIF VI and AGIF respectively, and the UCITS Directive.

02 August 2019

Dear Shareholder,

Re: Proposed Merger of Allianz China Fund, a sub-fund of Allianz Global Investors Fund VI plc, and Allianz All China Equity, a sub-fund of Allianz Global Investors Fund

We are writing to you to ask that you consider a proposal to merge the Allianz China Fund (the "**Merging Fund**"), a sub-fund of Allianz Global Investors Fund VI plc (the "**Company**"), a UCITS authorised by the Central Bank of Ireland, with Allianz All China Equity (the "**Receiving Fund**"), a sub-fund of Allianz Global Investors Fund (the "**SICAV**"), a UCITS authorised by the Commission de Surveillance du Secteur Financier ("**CSSF**") in Luxembourg.

The purpose of this Circular is to describe the proposed scheme of merger (the "**Scheme**"), to highlight key dates/next steps and to invite you, by means of a notice in Appendix I hereto (the "**Notice**"), to participate at an extraordinary general meeting ("**EGM**") of the Shareholders of the Merging Fund, convened to resolve upon the Scheme.

The details of the Scheme and our recommendation to effect the Scheme are set out in further detail in Sections 1 to 6 below. There are six points, in particular, we would like to draw all Shareholders' attention to:

(i) **If the Scheme is approved by the EGM, all subscriptions, switches and redemptions relating to the Shares will be suspended starting from the Final Subscription Cut-Off Point or the Final Redemption Cut-off Point, as appropriate, up until the Effective Date (inclusive).** This suspension will facilitate the calculations and confirmations required in relation to the implementation of the Scheme. Therefore, Shareholders who do not wish to participate in the proposed Scheme may redeem their Shares in the Merging Fund from the date of the notification of the outcome of the meeting up until the Final Redemption Cut-Off Point. Redemptions will be carried out in accordance with the terms of the Merging Fund's Prospectus.

(ii) Shareholders can vote in person at the meeting or by using the Proxy Form (included in Appendix I). **Shareholders intending to vote by proxy should please note that a duly completed Proxy Form must be returned to the offices of the company secretary of the Company, Carne Global Financial Services Limited, 2nd Floor, Block E, Iveagh Court, Harcourt Road, Dublin 2, Ireland, marked for the attention of Aisling McCormack/Kyle Richardson (or email to carnecosec@carnegroup.com) by no later than 12:15 pm (Irish time) on 24 August 2019 to be considered.** For corporate entity Shareholders, any representative attending and voting at the EGM on your behalf must provide a letter of representation. A template letter of representation is included in Appendix I.

(iii) In the event that Shareholders **do not pass the resolution to approve the Scheme (the "Resolution")**, the proposal to amalgamate the Merging Fund with the Receiving Fund will not proceed and, accordingly, the Merging Fund will resume the processing of subscriptions, redemptions and switching

requests as described in the Prospectus on the next dealing day following the notification of the outcome of the EGM.

(iv) In the event that Shareholders **do pass the Resolution** by a 75% majority of the votes cast by Shareholders in person or by proxy at the EGM, the Merging Fund will continue dealing as specified above until the Final Subscription Cut-off Point or the Final Redemption Cut-Off Point, as appropriate, (therefore Shareholders will have the option to redeem their Shares until the Redemption Cut-Off Point, as noted above). In the event that the Resolution is passed, all Shareholders shall become shareholders of the Receiving Fund as of the Effective Date.

(v) Shareholders who vote against the Scheme but do not redeem, and Shareholders who do not take any action, should note that, if the Scheme is approved at the EGM, **Shares in the Merging Fund will cease to have any value and will be cancelled on the Effective Date** and all Shareholders will be issued with New Shares, becoming investors in the Receiving Fund.

(vi) As confirmed above, the Effective Date will be 06 November 2019 or such later date as may be determined by the Directors and approved by the Central Bank which will be notified to the Shareholders in writing. In the event that the Directors approve a later date, they may also make such consequential adjustments to the other elements in the timetable of the Scheme as they consider appropriate.

1 Background to and Rationale for the Scheme

The Board of Directors of both the Company and the SICAV have approved the proposal of Allianz Global Investors GmbH, the Investment Manager of the Merging Fund and Management Company of the Receiving Fund, to merge the Merging Fund and the Receiving Fund. This will streamline the product offering in the equity space and offer investors the opportunity to keep invested in an attractive strategy within the product category.

The Scheme will also result in better economies of scale in the long term and greater levels of operational efficiency, both of which should lead to longer term cost savings for Shareholders. Moreover, higher levels of operational efficiency will likely be realised as a consequence of reduced operational and administrative burden. It is also expected that the Scheme will result in a greater number of distribution opportunities for the Receiving Fund, which would increase subscriptions and ensure economies of scale and greater shareholder diversification.

2 Details of the SICAV and the Receiving Fund

2.1 SICAV

The SICAV was incorporated for an unlimited period under the name DRESDNER GLOBAL STRATEGIES FUND as a société anonyme under the laws of the Grand Duchy of Luxembourg and qualifies as an open-ended société d'investissement à capital variable under part I of the Law. The SICAV changed its name to Allianz Dresdner Global Strategies Fund on 9 December 2002 and to Allianz Global Investors Fund on 8 December 2004.

A schedule of the principal similarities and differences between the Merging Fund and the Receiving Fund is attached as Appendix III to this Circular.

(a) Investment Objective and Policy

The investment objective of the Receiving Fund is materially identical to that of the Merging Fund.

(b) Risk Profile

Investment in the Receiving Fund is considered to be of similar risk to investment in the Merging Fund – in particular, each of the Receiving Fund and the Merging Fund has a synthetic risk and reward indicator (a general indication concerning the overall level of risk of the fund) of 6, as disclosed within the relevant KIIDs.

The general risk factors for the Merging Fund and the Company (outlined in the Prospectus for the Company and the KIID(s) for the Merging Fund, which are available on https://regulatory.allianzgi.com) and the general risk factors for the Receiving Fund and the SICAV (outlined in the Prospectus for the SICAV and the KIID(s) for the Receiving Fund, which are available on https://regulatory.allianzgi.com) are materially similar.

(c) Form and types of holdings

Under the terms of the Scheme, the holders of Shares in the Merging Fund will be issued with New Shares in the Receiving Fund. It is proposed that Shareholders of each specific class of Shares in the Merging Fund will receive New Shares of the corresponding New Share class as per the table below.

Merging Fund Share Class	ISIN	Receiving Fund Share Class	ISIN
A (EUR)	IE0004874099	A (H2-EUR)	LU1946895353

(d) Fees

Shareholders should be aware of the fees payable in respect of the Merging Fund and Receiving Fund which are set out at Appendix III hereto.

(e) Subscriptions, redemptions and closures

The procedures which apply to matters such as dealing, subscription, redemption, switching and transferring of shares as well as the investment restrictions and method of calculating the net asset value, are materially identical between the Merging Fund and the Receiving Fund.

The circumstances in which the Company and the SICAV and / or the Receiving Fund may be terminated and wound up are set out below. The circumstances in which Shares in the Merging Fund may be compulsorily redeemed are also set out below.

(i) Winding up the Company / Compulsory redemption of Shares in the Merging Fund

All of the Shares in the Merging Fund or a class thereof may be redeemed by the Company in the following circumstances: (i) 75% or more of votes cast at a general meeting of the Merging Fund or class, as appropriate, approve the redemption of the Shares; (ii) if the net asset value of Shares in the Company or any Fund on each Dealing Day within a period of 5 consecutive weeks is less than an amount determined by the Directors being uneconomic for the Fund or the Company to continue, the Company may redeem all of the Shares in the Company or Fund provided that notice of not less than four and not more than six weeks' has been given to the holders of the shares within four weeks of such period; or (iii) on 31 December 2005 or on any fifth anniversary thereafter, provided that notice of not less than four and not more than six weeks' has been given to the holders of the Shares.

(ii) Winding up the Receiving Fund

If the assets of the Receiving Fund fall below the amount that the Board of Directors of the SICAV considers to be a minimum amount for the economically efficient management of the Receiving Fund, or if the Receiving Fund does not reach this minimum amount or if a substantial change in the political, economic or monetary situation arises, the Board of Directors of the SICAV may force redemption of all Shares in the Receiving Fund affected at the net asset value per Share on the dealing day following the day on which this decision by the Board of Directors of the SICAV enters into force (while taking into account the actual prices achieved and the necessary costs of disposal of the assets).

The SICAV must inform the shareholders in the Receiving Fund in writing of the reasons and the redemption procedure before the mandatory redemption enters into force: registered shareholders in

the Receiving Fund will be notified in writing; holders of bearer Shares will be informed through publication of a notice in newspapers to be determined by the Board of Directors of the SICAV or in electronic media as determined in the prospectus if the SICAV does not know the names and addresses of the shareholders. If no other decision is made in the interest of or for purposes of equal treatment of the shareholders, the shareholders in the Receiving Fund affected may request the redemption or conversion of their shares at no charge before the date of the mandatory redemption (while taking into account the actual prices achieved and the necessary costs of disposal of the assets).

Under the same circumstances as provided above, the Board of Directors of the SICAV may decide to force redemption of all shares in any share class.

(f) Dividend Policies applicable to the Merging Fund and the Receiving Fund

Both the Merging Fund and the Receiving Fund declare dividends in respect of certain share classes and the merging Fund will not distribute any accrued income for the distributing share classes for the period running from the last distributing date to the Effective Date, such income will be considered when calculating the exchange ratio on the Effective Date.

(g) Reports and accounts

Copies of the accounts of the Company and the SICAV are available online at https://regulatory.allianzgi.com.

(h) Shareholder rights

There will be no material difference between the rights of Shareholders with respect to the Merging Fund before the Scheme and their rights with respect to the Receiving Fund after the Scheme.

3 The Scheme

3.1 Basis of the Scheme

An EGM of Shareholders is being convened for 26 August 2019. The Notice is set out in Appendix I hereto and contains the text of the Resolution required to effect the Scheme.

If the Resolution, as set out in the Notice, is passed, Shareholders will become holders of New Shares corresponding to their Shares, as set out above and will be able to exercise their rights as shareholders of the Receiving Fund as and from the Effective Date. The number of New Shares to be issued to each Shareholder will be determined using an exchange ratio calculated in accordance with the below formula.

$$S = \frac{R \times NAV}{SP}$$

where:-

S = the number of New Shares in the Receiving Fund that will be issued;

R = the number of Shares held by the Shareholder in the Merging Fund on the Effective Date;

NAV = the Net Asset Value per Share of the relevant Share Class in the Merging Fund calculated as at the Valuation Point on the Effective Date, calculated in accordance with the Articles of Association of the Company; and

SP = the initial issue price per New Share of the relevant New Share Class in the Receiving Fund.

Shareholders will receive such number of New Shares as calculated in accordance with the exchange ratio above.

The issue of New Shares in the Receiving Fund in exchange for Shares of the Merging Fund will not be subject to any charge. The value of the holding of New Shares which a Shareholder will receive under the Merger will equal the value of their holding of Existing Shares immediately prior to the Effective Time.

Under the proposed Scheme, the auditors of the Receiving Fund will be entrusted to validate the following:

(i) whether the statements of assets and liabilities of the Merging Fund and Receiving Fund as of the date for the calculation of the exchange ratio have been prepared in accordance with the valuation criteria selected by the Directors and set down in the UCITS Regulations and the Luxembourg Law;

(ii) where applicable, the cash payment per share; and

(iii) the calculation method of the exchange ratio as well as the actual exchange ratio determined at the date for calculating that ratio, as referred to in the UCITS Regulations.

A copy of the report of the auditors of the Receiving Fund will be made available on request and free of charge to shareholders of both the Merging Fund and the Receiving Fund.

On the Effective Date the value of all ascertainable and known outstanding liabilities of the Merging Fund will be calculated. These liabilities generally comprise fees and expenses which have accrued and are or will be reflected in the net asset value per Share.

On or immediately after the Effective Date, the Company's Depositary will transfer the assets of the Merging Fund to the SICAV Depositary, to be held for and on behalf of the Receiving Fund.

Details on the register of Shareholders and any documents of title of the Merging Fund will be transferred to the SICAV Registrar and Transfer Agent on or shortly after the Effective Date. Neither the Merging Fund nor the Receiving Fund issues physical share certificates and accordingly no physical share certificates will be issued for the New Shares. However, if the Resolution is passed, Shareholders will receive a statement indicating the results of the vote by Shareholders at the EGM. Where the resolution is passed other than unanimously, this statement will be issued at least 14 calendar days prior to the

Effective Date. Additionally, Shareholders who do not redeem their Shares prior to the Effective Date will receive a statement confirming ownership of their holding of New Shares. This statement will be despatched to New Shareholders within 5 Business Days of the Effective Date.

If the Scheme is approved by Shareholders in the Merging Fund, the Merging Fund shall cease operations on the first Business Day following the Effective Date. Following this date, the Company will fully wind-up all the affairs of the Merging Fund in accordance with the terms of the Articles of Association and the requirements of the Central Bank.

Thereafter, the Central Bank will be requested to revoke the approval of the Merging Fund.

In summary, therefore, in order to implement the Scheme, the following actions must be completed in relation to/by the Merging Fund:

- passing of the Resolution by Shareholders in the EGM to approve the Scheme, as set out in Appendix I to this Circular;
- the execution of the common terms of merger between the Company, on behalf of the Merging Fund, and the SICAV, on behalf of the Receiving Fund.
- implementation of the transfer of the net assets of the Merging Fund, whereby the legal title to all assets in the Merging Fund at the Effective Date, will be transferred from the Company's Depositary to the SICAV Depositary for and on behalf of the Receiving Fund and completion of the delivery and / or transfer of the legal title of the assets shall take place as soon as practicable on or following the Effective Date;
- issue of New Shares to Shareholders and cancellation of the Shares; and
- following the implementation of the Scheme, the settlement of all liabilities of the Merging Fund, if any, by the Company and the Company's Depositary and the revocation by the Central Bank of its approval of the Merging Fund.

3.2 Verification

Shareholders should note that as part of the implementation of the Scheme, the Company's Administrator (as administrator of the Merging Fund) will provide to the SICAV Registrar and Transfer Agent (as administrator of the Receiving Fund) details of the Shareholders, including all relevant documentation received from or in relation to each Shareholder. This includes, without limitation, client identification and anti-money laundering documentation. Notwithstanding this, Shareholders may be required to verify their identity in accordance with applicable anti-money laundering requirements for the purpose of being entered on the register of the Receiving Fund as the holder of New Shares.

3.3 Taxation

Shareholders should consult their own professional advisers as to the tax implications of the merger under the laws of the countries of their nationality, residence, domicile or incorporation. Shareholders should note that their tax position may be affected as a result of the proposed merger.

3.4 Cost of the Scheme

Neither the Merging Fund nor the Receiving Fund will bear the legal, advisory or administrative costs of the Merger. The Merging Fund will bear transaction costs resulting from any repositioning of the Merging Fund prior to the Merger. The investment objective and policies of the Merging Fund and the Receiving Fund are similar. A portion of the assets held by the Merging Fund comprises eligible assets for the purposes of the investment policy and the portfolio of assets which can be held by the Receiving Fund. However, the Merging Fund will need to sell down some of its existing portfolio and purchase new Chinese securities in order to align its portfolio with that of the Receiving Fund prior to the Effective Date. This will not lead to a change in investment objectives or policies of either the Merging Fund or the Receiving Fund, however it may result in a reduction in the net asset value of the Merging Fund in the period prior to the Effective Date.

3.5. Procedure

The implementation of the Scheme is subject to the Resolution set out in the accompanying Notice being duly passed as a special resolution of the Merging Fund as required under the Articles of Association.

In order to be duly considered and approved, the resolving EGM must be attended by any two Shareholders, entitled to vote upon business to be transacted, present in person or by proxy. In view of the importance of these matters, the Chairman of the EGM will demand that a poll be taken. To be passed as a special resolution, the Resolution must be carried by a vote in favour of the Resolution by a maximum percentage of the total number of Shares represented in person or by proxy at that EGM. On a poll, every Shareholder who is present in person or by proxy shall have one vote for every Share of which he is the Shareholder. If, within half an hour from the time appointed for an EGM, a quorum is not present, the EGM will be adjourned and, if at such adjourned meeting a quorum is not present within half an hour from the time appointed for holding the meeting, the Shareholders present at that second EGM / adjourned meeting shall be a quorum. The notice set out in Appendix I shall be deemed to constitute due notice of any such second EGM / adjourned meeting.

If the Resolution is passed and you do not redeem your Shares, your Shares shall cease to be of any value or effect on the Effective Date (subject to the terms of the Scheme) and you will become the owner of New Shares on the Effective Date. In addition, Shareholders who do not vote, or vote against the Scheme, and do not redeem their holdings in the Merging Fund will become shareholders of the Receiving Fund on the Effective Date. The Merging Fund will cease operations on the Effective Date.

Shares in the Merging Fund will continue to be issued on any Business Day in accordance with the terms of the Articles of Association and Prospectus until the Final Subscription Cut-Off Point. Shares in the Merging Fund will continue to be redeemed on the usual dealing days in accordance with the terms of the Articles of Association and Prospectus until the Final Redemption Cut-Off Point. In the event that subscription, redemption or switch requests are received for the Merging Fund after the Final Subscription Cut-Off Point or the Final Redemption Cut-Off Point, as appropriate, such requests will be suspended. If the Resolution is not passed, such requests will be processed as deals in the Merging Fund on the next dealing day as described in the Prospectus. If the Resolution is passed, any suspended requests thereafter for subscription, redemption or switches will be rejected. Furthermore, if the resolution is passed the Directors will take steps to cease operations of the Merging Fund after the Effective Date. The issue and redemption prices of the Receiving Fund are or will be available from the SICAV Registrar and Transfer Agent and published daily on www.Bloomberg.com.

A copy of the report of the auditors of the Merging Fund on the terms and conditions of the Scheme, once available, will be provided to Shareholders on request by emailing reports.ireland@allianzgi.com.

5 **Recommendation and action to be taken**

In light of the above, the Directors are of the opinion that it would be in the best interests of Shareholders to approve the Scheme and to exchange their Shares for New Shares in the Receiving Fund. Accordingly, the Directors are proposing that the Merging Fund will enter into the Scheme with the Receiving Fund which, if approved by Shareholders, will result in those Shareholders directly holding New Shares in the Receiving Fund and the Merging Fund being terminated.

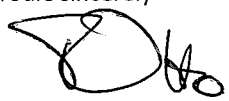

Having regard to these reasons, we recommend the Scheme for your approval and urge you to vote in favour of the Resolution set out in the Notice at Appendix I.

It is important that you exercise your voting rights in respect of the EGM by completing and returning your enclosed Proxy Form, so that it will arrive at the offices of the company secretary of the Company, Carne Global Financial Services Limited, 2nd Floor, Block E, Iveagh Court, Harcourt Road, Dublin 2, Ireland, marked for the attention of Aisling McCormack / Kyle Richardson or email to carnecosec@carnegroup.com) by no later than 12:15 pm (Irish time) on 24 August 2019.

In the case of a second EGM / adjourned meeting, such documents should be deposited at the offices of the company secretary of the Company two days before the second EGM / adjourned meeting.
